

TG4 EYLETTS SELF PIERCING

Rating: Not Rated Yet

[Ask a question about this product](#)

Description FEATURES Made from heavy gauge material. Brass eyelets available in black and nickel plating. Dimension: ID 9mm OD 20mm
APPLICATION Heavy duty Brass or Stainless Steel (304) eyelets with "spurs" to grip onto your material. Perfect for outdoor applications like tarpaulins, tents, tonneau covers and lapa covers, as neither the brass nor the stainless steel rusts.
